*Inspiring 21st Century Learners to Influence 22nd Century Successes*

Aug 1, 2022

Dear Parent/Guardian,

North Dakota law requires that students be adequately immunized before entering school. Please review your child's immunization record and complete the immunization series as required by North Dakota law. **All children must be up-to-date according to the school immunization requirements**, or have claimed an exemption by October 1st of each school year. Students enrolling in school after October 1st have 30 days to be up-to-date or claim an exemption. Any student without proper immunization records will be excluded from school.

Immunizations can be obtained at the Grand Forks County Health Department for a nominal fee.

We are also requesting that you submit a copy of your child's birth certificate for his/her cumulative school file.

If you have questions, please call the school office.

Sincerely,

Manvel Public School
